

## ANNOUNCEMENT

February 2, 2009 Feast of the Presentation, World Day of Consecrated Life

To: Bishops, Planning Team, Country Coordinators connected with the Rome 2008 International Congress-Pilgrimage of Consecrated Virgins

From: Judith Stegman, planning team member responsible for collecting texts for publication

Re: Publication of Congress-Pilgrimage conferences and homilies

We are pleased to announce that the original language texts of the conferences and homilies from the Rome 2008 International Congress-Pilgrimage of Consecrated Virgins will be published in the final 2008 issue of *Sequela Christi*, the official publication of the Congregation for Institutes of Consecrated Life and Societies of Apostolic Life (CICLSAL). We are grateful to Cardinal Franc Rodé for this good news and generous offer.

Orders for the 2008 / 2 issue of *Sequela Christi* may be placed directly with the Congregation for Consecrated Life. [An order form is available [here](#).] If you are paying in other than euros, please make the conversion using current bank conversion rates.

Please spread this news to the Bishops and consecrated virgins of your countries, as well as to any other person who may be interested in ordering the 2008 / 2 issue of *Sequela Christi*.

The order form includes an option for people to subscribe to *Sequela Christi* for 2009. It is an excellent publication, which serves as a point of reference and information for Consecrated Life in the Church. In particular, in addition to publishing all words of the Holy Father concerning Consecrated Life, the magazine publishes the activities of the CICLSAL, promotes a deeper understanding of Consecrated Life by exploring theological, legal, and pastoral issues, and presents monographs on various topics related to religious institutes and Consecrated Life. Some consecrated virgins may want to subscribe to future issues of the journal.

Note: We are still working to collect translations of texts, to be made available at a later date through the Libreria Editrice Vaticana. The Congregation asks that individual countries wait for this publication, rather than publish their own local-language volumes.

It is a joy to deliver this news on the Feast of the Presentation!
