

## 2014 Membership Registration Form - Members

- for use by United States consecrated virgins desiring to register as 2014 members  
of the United States Association of Consecrated Virgins

*"This is my commandment: love one another as I love you. No one has greater love than to lay down one's life for one's friends. It was not you who chose me, but I who chose you and appointed you to go and bear fruit that will remain." – John 15:12,16*

### Introduction

The United States Association of Consecrated Virgins exists for three primary purposes: 1) to foster communication, solidarity, and support among United States consecrated virgins; 2) to offer educational materials and programs of education about the vocation; and 3) to encourage study and growth of understanding of the vocation of consecrated virginity lived in the world.

We welcome all United States consecrated virgins to join in our mission by registering as members of the association in 2014.

## Sharing our talents

Each of us has been blessed by our Divine Spouse and each of us has incredible talents to offer. The USACV is more of a family than an institution, and we are always in need of helping hands. We'd like to know what talents and time you would like to offer, so that we might more effectively discern how we can work together to follow the will of our Divine Spouse in accomplishing our objectives.

*Possibilities of ways to help: helping to develop resources for discernment and preparation of a person for the vocation; translations to and from English; proof-reading; editing; website design; website upkeep (photo gallery, news, store); database upkeep; corresponding with inquirers; convocation planning; developing teaching / formation materials; layout and design; artwork; music for our meetings; writing about aspects of our vocation from a historical, theological or liturgical perspective...*

For everything, there is a season. All of us are called to pray for one another and for the work of our Association. Some of us are called to give significantly of our treasure, to financially support this work. Some are also called to give varying amounts of time and talents, to further the active work of our association. Please list below the time and talents you are able to offer. If you have responded in the past, please do respond again – our needs change from year to year. Thank you.
