

2023 Membership Registration Form - Members

- for use by United States consecrated virgins desiring to register as 2023 members
of the United States Association of Consecrated Virgins

“This is my commandment: love one another as I love you. No one has greater love than to lay down one’s life for one’s friends. It was not you who chose me, but I who chose you and appointed you to go and bear fruit that will remain.” – John 15:12,16

Introduction:

The United States Association of Consecrated Virgins has as its primary purpose to foster communication, solidarity, and support among United States Consecrated Virgins. The USACV and the International Resource Center for the *Ordo Virginum* (IRC) operate as one organization to offer educational materials and programs of education about the vocation, as well as to encourage study and growth of understanding of the vocation of consecrated virginity lived in the world.

We welcome all United States consecrated virgins to join in our mission by registering as members of the association in 2023. If you have not registered in any previous year, please also complete a membership application form.
